COLLEGE FOOTBALL PLAYOFF

What a way to cap off a busy college football bowl season. The College Football Playoff Championship Game in Miami was incredible. Our staff and drivers worked tirelessly throughout the week, planning and executing transportation for teams, bands, cheerleaders, alumni groups, VIPs, and bowl officials. In addition, we operated employee and fan gameday shuttle service in and around Hard Rock Stadium. Kudos to everyone involved for delivering outstanding service from start to finish.

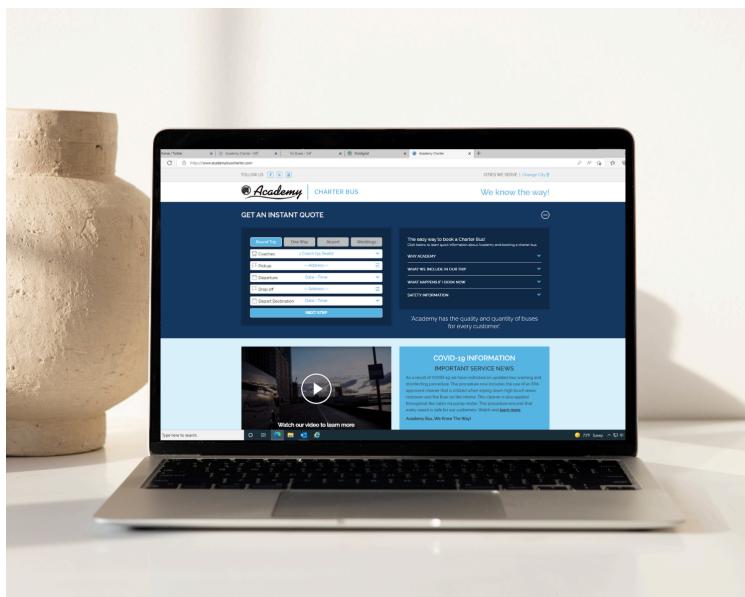

DID YOU KNOW?

Our second terminal in Orlando features an on-site paint and bodywork facility, essentially the Florida counterpart to our Bodyrite location in New Jersey. This addition will play a key role in keeping our southern fleet in top condition.
