GREAT AMERICAN ROAD TRIP

Recently, we had the pleasure of hosting members of the American Bus Association and their guests during a stop on the Great American Road Trip! The visit featured tours of our two Orlando facilities, followed by lunch and a celebration at our partner ABC Companies' facility in Winter Garden, Florida. This event is part of ABA's Centennial and the USDOT's America Semiquincentennial celebration. We're proud to serve as a co-sponsor of this year-long initiative.

PALM BEACH ARTFEST

Nice job by our West Palm Beach terminal providing mid-sized coaches for the Artfest by the Sea at Juno Beach last weekend. Our staff and drivers executed a flawless event shuttle operation for the client. Great job!

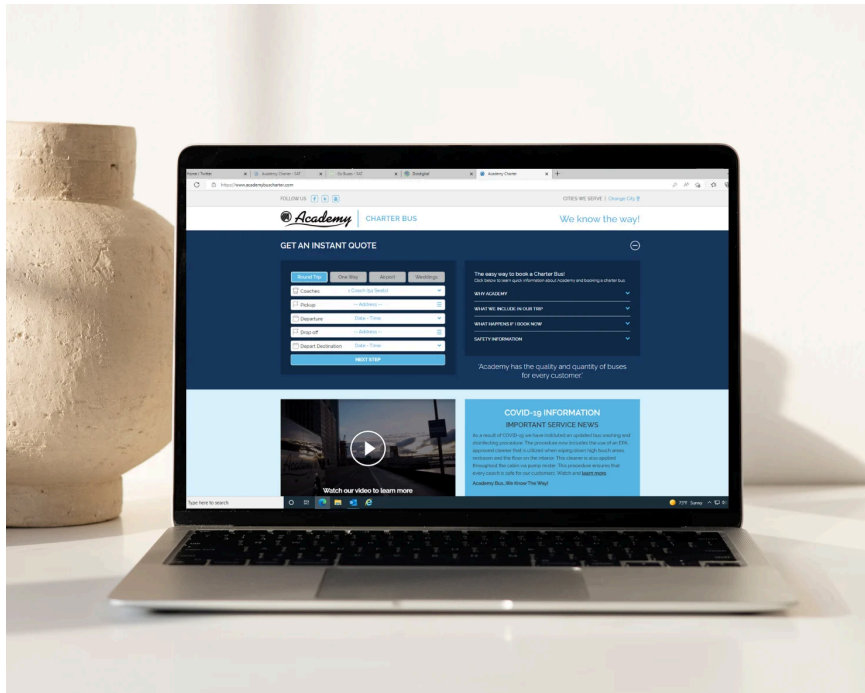

CAMP CONFERENCE

Sales team members John and Al traveled to Atlantic City this week for the annual Tri-State Camp Conference. Recognized as the largest gathering of camp professionals in the world the conference provides an exceptional opportunity to connect with both current and future camp partners. We know the way!
